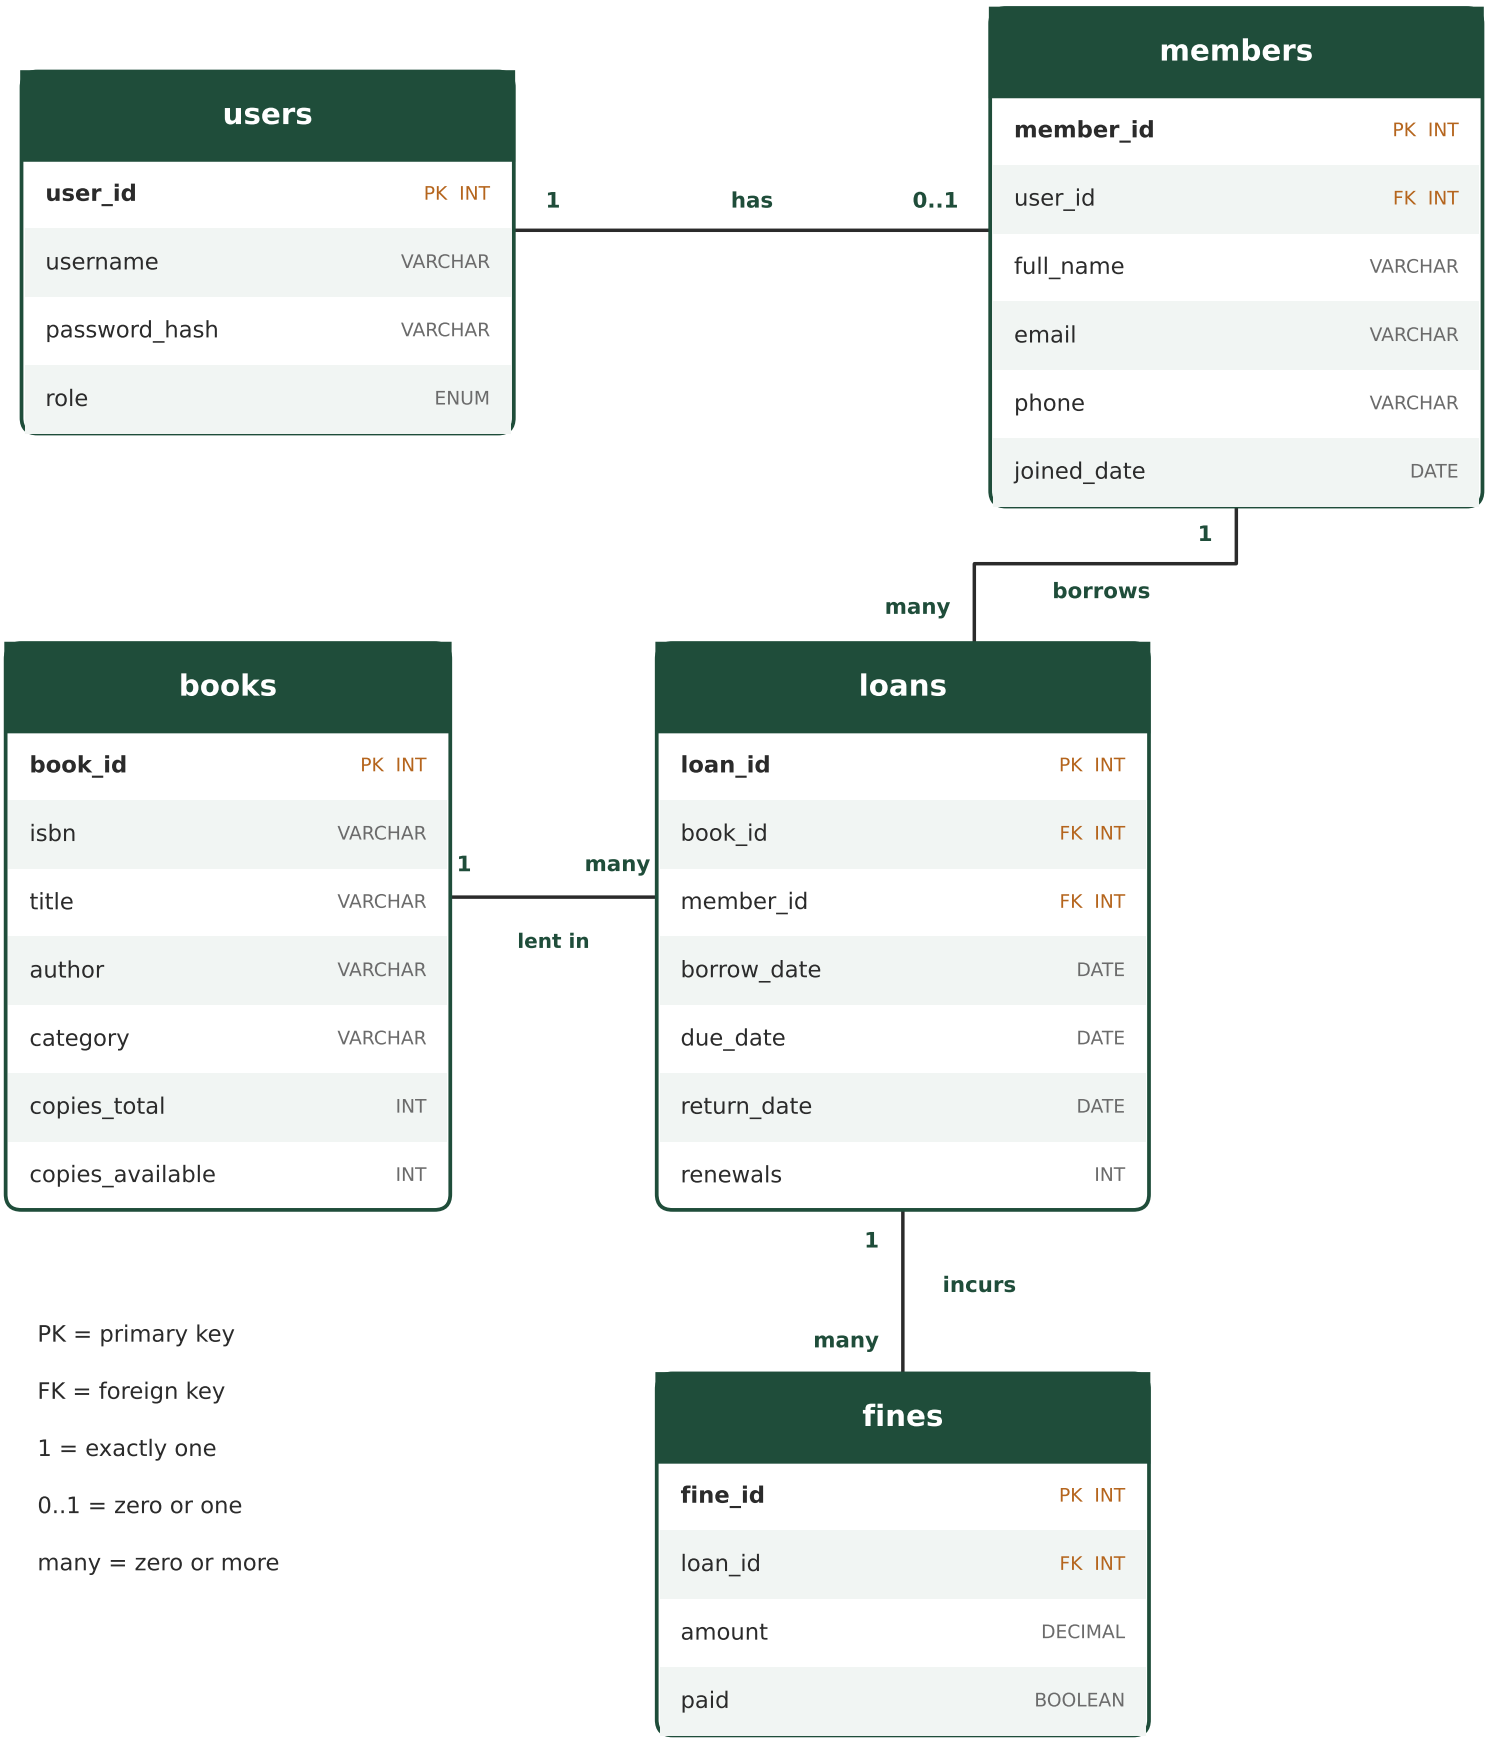
ER Diagram

Database library_db: 5 tables and how they connect



PK = primary key

FK = foreign key

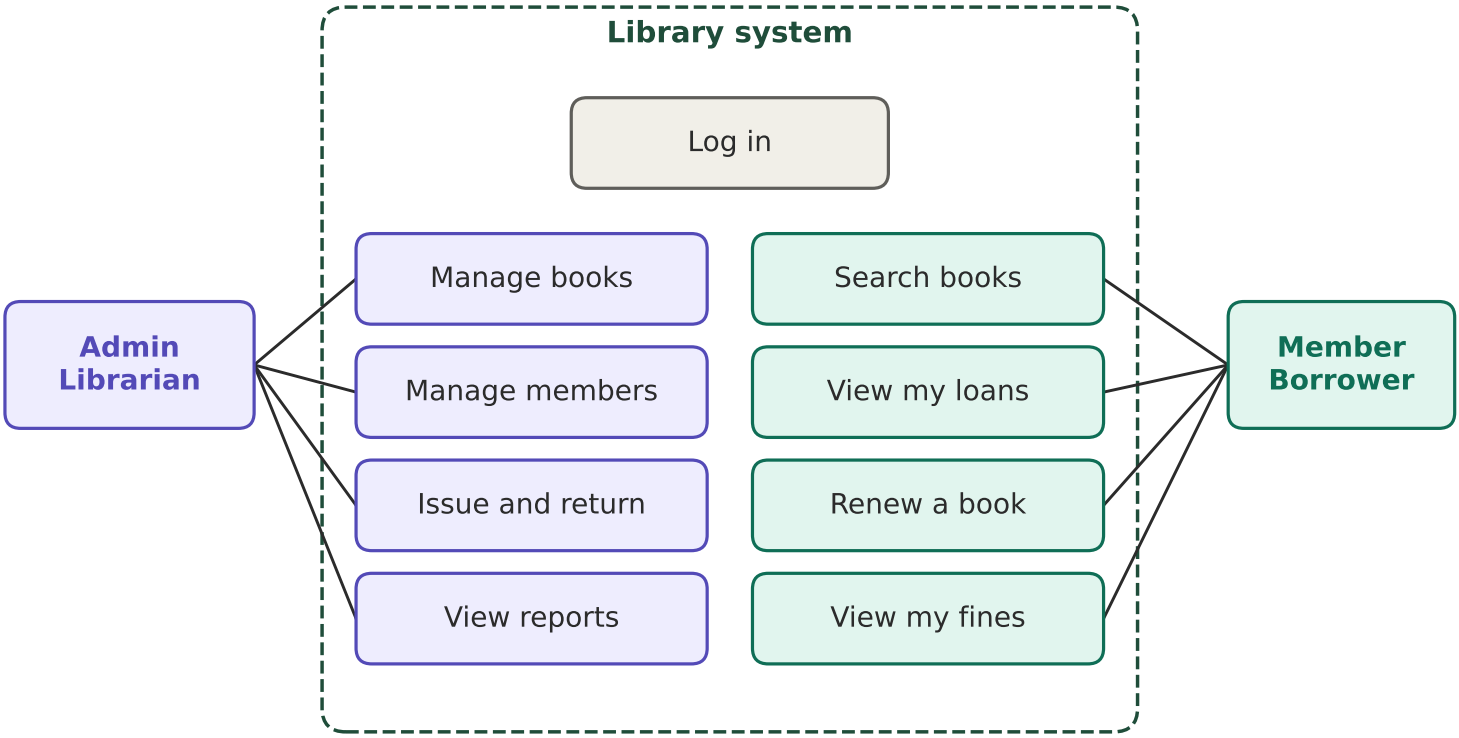
1 = exactly one

0..1 = zero or one

many = zero or more

Use Case Diagram

What each user can do in the Library Management System



Both roles start by logging in.

Admin actions are blocked for members, and the pages are protected after login.

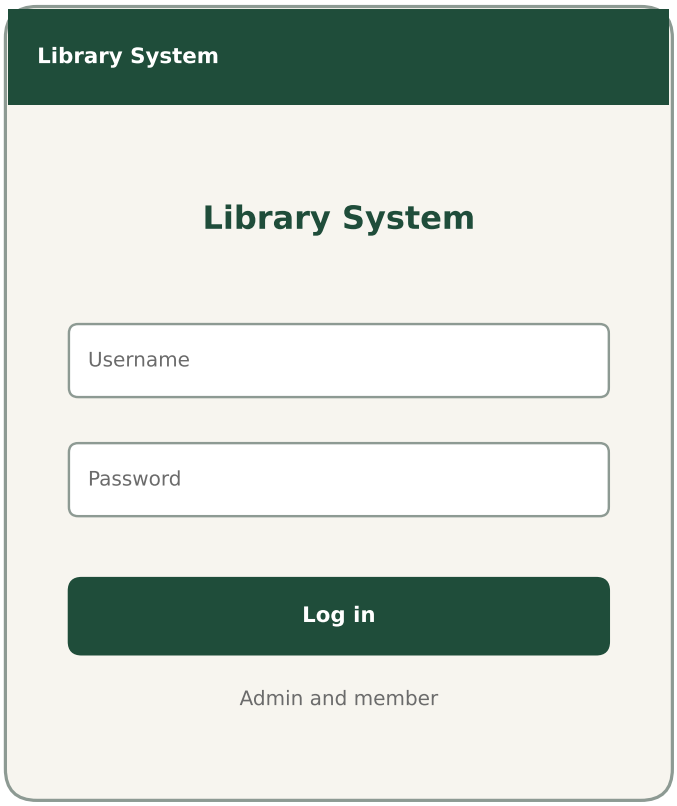
Fines: 5.00 per overdue day. Borrow limit: 3 books. Loan period: 14 days.

Renew a book is a nice-to-have and is not built yet.

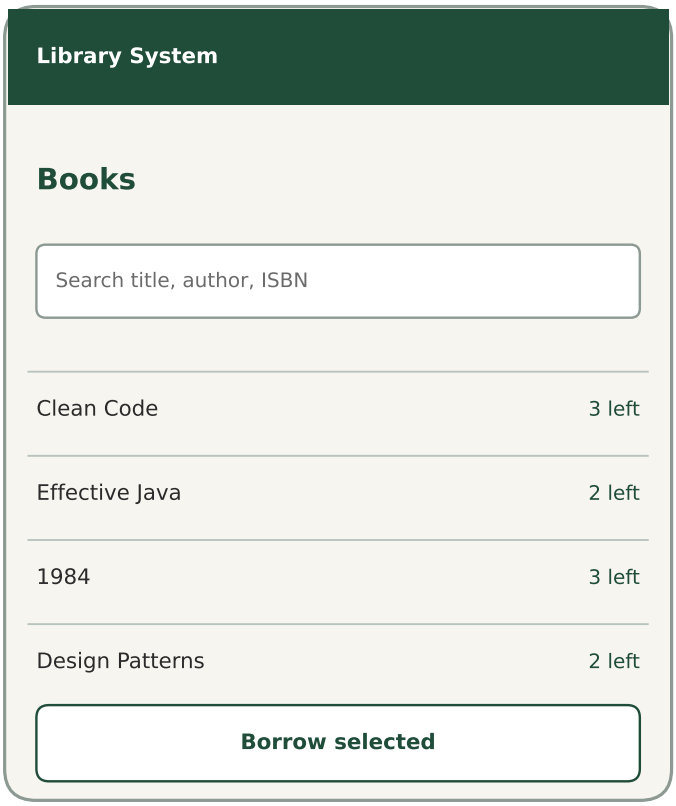
Wireframes

Sketches of the four main pages

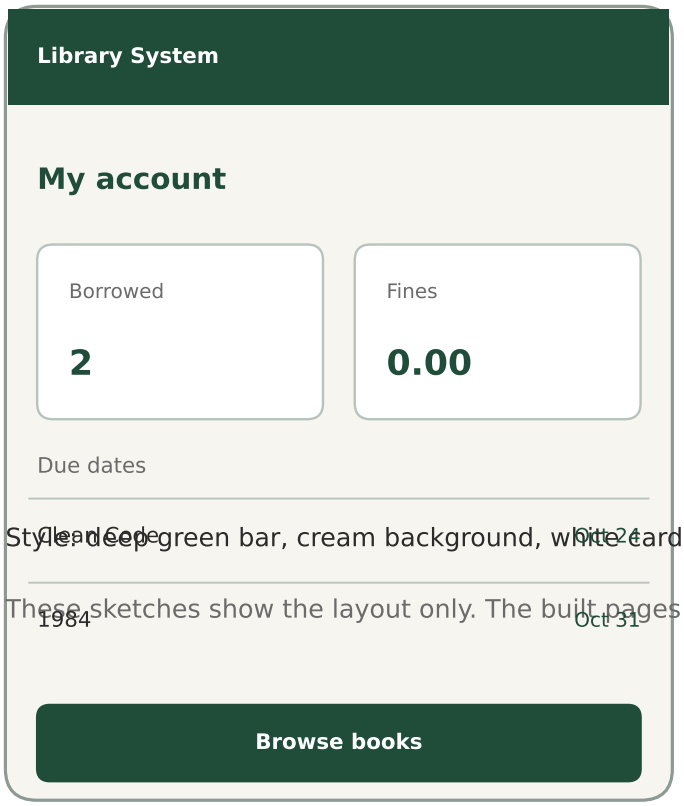
1 Login



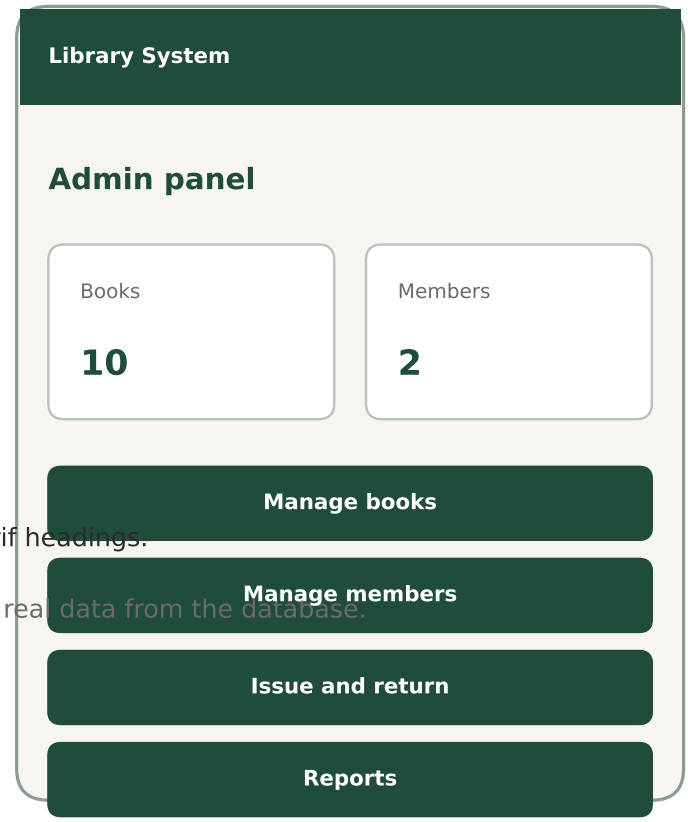
2 Book list



3 Member dashboard



4 Admin panel



Style: deep green bar, cream background, white cards, serif headings.

These sketches show the layout only. The built pages read real data from the database.
